

CAMP NEWS FROM CCI BRAZIL

DECEMBER 2025 - 67RD EDITION

This is the 67st edition of CAMP News, with testimonies from our small groups of children throughout Brazil!

Children of Cuamba, Mosambique

Our Project with the children in Cuamba continues to grow more and more every day. During the week we have the literacy and discipleship room, on Saturdays with the Bible School lesson by the leader Jessé. Thank you for your support!

Our hearts rejoice in the Lord!

The group of young people, in addition to playing sports, also has their moment to listen and learn the teachings of the Word of God.

It is the Side-by-Side Project taking the Go of Christ wherever we are.

I had the privilege of being with the SG for children in the village of Macauê.

Eden Project

At Side by Side Project, we have the idea of the fair for the children. This blesses not only the kids but also their families, as some children face needs for clothing and food.

We are grateful for the support of friends, WMBC and CCI for making this mission project possible!

Children love to learn about Jesus! God does not give up on His children.

The Time to Sow and the Time to Reap!

The Side by Side Project also aims to prepare adolescents to become effective discipleship leaders, serving as role models for younger children. Since Elis's small group consists of four pre-teens.

I, Rosana, am investing time in training them with the intention of helping them grow into co-leaders of children's small groups.

To the Ends of the Earth

Saul is already teaching the truth to his friends.

A young neighbor of ours passed away. Saul's mother spent with him and his friends near the deceased young man's house.

And one of them commented: he became a little star and went to Heaven. Then Saul said, "You don't know it's a process. It's not like that, die and go to Heaven. You have to learn from Aunt Zilmar, she explains it very well."

Lorraing is 12 years old

"I love my small group! It is very good to participate in the meetings because we are always talking about God, so this is a comfort for me. And the verse that's made a difference to me is John 3:16. "

A grateful mother!

"I am the mother of Kailane and Kauane. The SG meetings for my daughters have had great results here at my house. My daughters learn a lot and always come saying that they learned something new.

May God bless each one of you who support this project, who invest time in the children too!"

Zilmar Gaspar, supervisor in Pajuçara, Ceará
