São Sebastião Project

“My name is Nicolas, I’m part of the small group of Angélica from the Tiradentes Settlement in São Sebastião, in the Federal District.

Last Year I was a child who messed with everything I saw, I took things that weren't mine, but this year I changed that, I thought about my actions and through the biblical teachings of the SG I changed, and I don't do that anymore because it doesn't please God.”

My name is Dafny

"I'm 10 years old and I'm part of the SG of aunt Neuza. I hadn't seen my father for a long time, but in 2025 he has become present in my life. He's a part of my life and I'm grateful to him for everything, I love him. I owe it to God who made His word known to me in a small group. God hears our prayers."

Cláudia Nunes, missionary in São Sebastião, Federal District

New Hope Project

Ana Rebecca Alves Nogueira, 9.

"In the small group, what I like to do most is play and learn about the Bible. We are learning about Adam and Eve.

I managed to memorize a verse: "For our sake he made him to be sin who knew no sin, so that in him we might become the righteousness of God." - 2 Corinthians 5:21. I also learned about the sin of disobedience to parents."

Pastor Junior Luiz, supervisor in Pajuçara, Ceará

Maranguape, Ceará

"My name is Hadassa Sales, I'm 14 years old. After I joined the small group, I have learned about God's love and greatness. Today I know how much God loves me, today I am a leader of the children in my church, and I can put into practice everything I learned during these years participating in the SG.

I am grateful to God for my mother Ana Paula and aunt Fernanda who have been discipling me for 6 years. I am grateful to God because he changed my life and that of my family."

Gildemar and Fadia Cavalcante, missionary in Maranguape, Ceará

Éden Project

In the Vilares da Serra Community, Outra Banda neighborhood, Maranguape-CE, small group meetings take place every Friday.

They are children from the community, children who arrive alone, some of them appear sporadically invited by children who participate assiduously in the meetings.

Praise God

We praise God a lot because little by little they are also coming to the Sunday services, generating more closeness with the leaders, because the small group works with relational discipleship.

Gratitude

This is reason for great gratitude to God, because they go of their own free will, there is no encouragement from their parents, on the contrary, there are cases in which parents apply as punishment to prohibit them from going to church. God is good!
