São Sebastião Project

“My name is Sophia and I’m 10 years old. I’m very happy and thankful to God for allowing me to see my dad again after so long without a hug. I’m also happy to help with leader Neuza’s SG, because I want the children to grow up walking in God’s way.”

Laura Vitória Araújo Barbosa – “Little Ones for Christ” SG

“My name is Laura Vitória Araújo Barbosa, I’m 7 years old and I participate in the SG of the New Hope Project. What I love most about SG is playing and doing the activities. One thing I’ve learned is to respect people, especially parents.”

“My name is Pedro Guilherme, I’m 15 years old, and I got to know the SG through my cousin who had been attending for some time. I was 7 when I was invited. When I arrived, I was hugged by Aunt Fádía and the children. I was very shy at first, and my cousin would help me at home with memorizing verses and doing devotionals. When I joined the SG, I felt at home because everyone welcomed me. I changed the attitudes that displeased God because the Bible is taught there.

In 2024, I went to the CAMP Brazil Annual Conference with a group and learned a lot that day. I thank God for the opportunity to be part of the CAMP Brazil Mission and for all the support from CCI.”

Some mothers came to the church for International Women's Day and received an evangelistic message based on the biblical story of Hagar. Coordinator Elis prepared this special moment.

In February, under the coordination of Jéssica Yana in Boa Viagem, another small fair was held, completing the DIVE module.

SGs in Maracanaú

We are praying to the Lord for new strategies to reach new leaders with a heart ready to serve God and be a blessing to the children!
