Children's Camps
International

Maranguape, Ceara

My name is Gabriel, I've been in the small group for five years. Today I'm 17 years old. I have ADHD, dyslexia and social phobia, but when I'm in the Small Group I feel very comfortable. I've learned about God, about who Jesus is, I've improved my behavior at school, I've also improved at home with my sisters, because we used to fight a lot and now we're at peace.

What I like most is the teaching of God's word, the snacks and when there are games. I've never forgotten the day we played pie in the face. It was a lot of fun. I would like to thank everyone at Children's Camp International for all their support in this blessed project.

São Sebastião Project

Aunt Cléo, from the Ebenezer nursery school, testified that after the children started taking part in CAMP Brasil's side-by-side project,

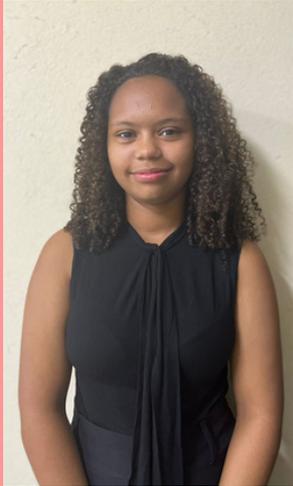

they have been calmer and we even had a mother surprised that her son could recite Bible verses.

Thank you for your intercessions and all the help from the CCI.

New Hope Project

Small Group Growing in the Gospel

"Here is Maria Eduarda, I'm 16. I'm in Uncle Danilo's Small Group and I really like coming to the project because I can talk to my friends and my uncle. We always take time to talk about the week and the lesson. One of the cool things I learned at the meetings was about God's creation, I discovered a lot about it."

Eden Project

I thank God for the presence of coordinators Jessica Yanna and Rozilene Martins at the CAMP Brazil 2025 Retreat. Jessica is coordinating 5 Small Groups in Boa Viagem and Rozy is coordinating 3 Small Groups in Maracanaú.

The retreat is a time for renewal, communion, exchanging experiences and a lot of learning.

Children of Boa Viagem Being Reached

These are small groups of children who hear about Jesus every week through CAMP Brazil's Lado a Lado (side-by-side) project. See how attentive they are to what the leader is saying.

We are grateful for the attention that the CCI has given to our project. It makes all the difference. God bless CAMP Brazil. The secret to a good harvest is the sowing of discipleship.

Vilares da Serra Community in Maranguape

Here are the 3 Small Groups coordinated by Elisângela! We invited the children's mothers to hear an evangelistic message and to pay tribute to them on Mother's Day! The adults in green are Leaders.
