### **São Sebastião Project**

**Night CAMP (Brasília, Federal District)**

We've had several experiences with Day Camp, but this was our first time hosting a Night Camp.

It included a campfire in the rain, games like darts and sack races... It was an incredible experience,

we revisited some CAMP Brazil modules. It was beautiful!

Claudia Nunes, missionary in São Sebastião, Federal District

## **Eden Project** *Ágatha (6 Years Old)*

The question was drawn for Ágatha to answer. I asked, "What is the greatest gift that we, as children of God, can give to someone else?"

Agatha replied: "Prayer, auntie." Her family needs prayer (father sworn to death).

Rosana Oliveira, missionary in Maranguape, Ceará

## **Maranguape, Ceará**

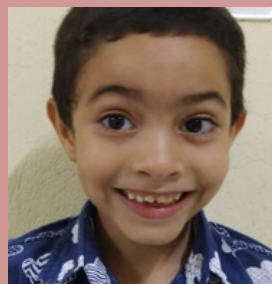

This is the small group of leader Eliane. God has done great things in the lives of these children. This beautiful little group was born under the presence of Jesus.

## **New Hope Project**

Ezequiel Bryan is 7 years old. "We learn several games. I enjoy learning and memorizing the verses on the CAMP cards. The small group helps me to be more attentive."
